

# ALCHYMIST GRAND HOTEL AND SPA PRAGUE

Nestled amidst the picturesque streets of Malá Strana, a stone's throw from Prague Castle and Charles Bridge, lies the Alchemist Grand Hotel and Spa. Here, history whispers from the very walls. Four former bourgeois houses, the oldest dating back five centuries as the House by the Infant Jesus, have been meticulously restored to house this haven.

The Alchemist Grand Hotel and Spa reveres its heritage, offering guests an experience steeped in sincerity. Each of the 27 rooms and 19 suites is individually designed to reflect the building's rich past. Aquarius Restaurant, incorporated with a touch that respects the historic ambiance, pampers guests with modern Italian and local specialties alongside an exquisite wine collection. Descending into the ancient cellars, discover the Indonesian Ecsotica Spa & Health Club, a perfect refuge for relaxation.

The Alchemist Grand Hotel and Spa, where modern comforts and warm service blend seamlessly with the magic of bygone eras.
